

Fast Attach Foam Branchpipe

225 L/Min Version

450 L/Min Version

- Fast Knockdown
- On/Off Squeeze Trigger Action
- Lightweight
- Manoeuvrable
- Swivel Coupling Option
- Stainless Steel Foam Barrel

General Description

In emergency situations the Fast Attach Foam Branchpipe provides maximum operator fire control and the means to move effortlessly from jet to spray/fan foam application in a split second. The On/Off squeeze trigger grip provides instant control conserving foam supplies and facilitating movement in the operational area.

Applications

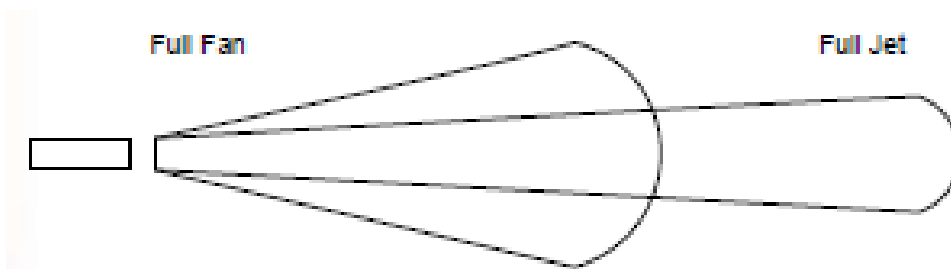

Ideal for rapid intervention vehicles for aircraft crash protection or helicopter landing areas, the Fast Attach Foam Branchpipe are also suitable for high risk areas such as loading bays, where substantial spill fires may occur.

Construction
