

PS2004 Neoprene Immersion Suit

PS2004 is a basic neoprene immersion suit which is ideal for abandonment ship situations. The suit is built from high flexible, high quality neoprene to ensure easy donning and great fit. The high quality neoprene also gives the product a longer lifespan. The suit has an extended zipper which gives the suit a better in-water performance and ensures quick donning. The extended zipper also provides more comfort for the user and minimizes water ingress. It is packed in a small bag for easy storage. The suit must be worn with a SOLAS approved lifejacket. It has integrated neoprene boots and semi-detachable neoprene gloves, and is available to be fitted with lifting strap and light. The yellow colour ensures high visibility for the user. All suits are produced in-house according to stringent manufacturing requirements.
