

Right Angle ATEX Safety Torch - Rechargeable

Product Code: BR08-1200-04

The high-tech ATEX approved Wolf Rechargeable Torch range uses the latest technology to give excellent performance, robustness and reliability in the most extreme conditions.

Wolf Rechargeable Torches are CE marked to the ATEX Directive and IECEx Certified, allowing use in Zone 1 or Zone 0 potentially explosive atmospheres, where a T4 temperature class permits.

The compact and lightweight Wolf Rechargeable Torch design has a high-grip ergonomic form with easy single handed switching, even with gloved hands. The high strength torch body has proven impact resistance even at sub zero temperatures. The rubber armoured lens ring and end cap give enhanced grip and shock protection. The lens is resistant to scratches and chemical attack. The enclosure is sealed dust tight and protected from water immersion, with a certified IP67 enclosure. The right-angle body arrangement incorporates a replaceable high strength thermoplastic belt clip for hands free use.

Unique optics deliver a piercing beam with outstanding light output from the high power LED or the halogen bulb versions. Duration is over 3 hours; selecting half power doubles this duration. State of battery charge is indicated with a bar of high intensity red LEDs, which go out as battery charge diminishes. Towards the end of discharge, the beam flashes off repeatedly, warning recharging is required. Use of the latest lithium-ion battery technology improves reliability and eliminates 'memory' affect.

The 'quick' charger is configured as a torch holder, with 'snap in/snatch out' function, for quick release but secure retention. The charger is powered by vehicle voltages, but can run from mains voltages when used with the mains power supply. Very low maintenance and quick component replacement are key benefits of this product range. The LED light source is expected to last the product lifetime; the bulb is long life, a spare is supplied in the torch. All models are supplied with wrist straps and clip rings.
